

THE PARK CRIER

Winding Brook Park Association

What is in Your Back Yard?

Here are some spectacular back yard features that some of our residents shared with us. You never know what is hidden from view! Wish there was room for all submitted of each yard. Please look for this edition on our website so you can see them in color.

President's Corner

I hope you've had a good summer. Believe it or not, the school year is upon us. For many families in our neighborhood, it will be the challenge of once again balancing virtual school work with working parents and limited extracurricular activities. If you need help, talk with your neighbors or reach out to the Board. We want to help support those in need during these difficult times.

Speaking of helping your neighbors, the Winding Brook Park Association is composed of our neighbors who volunteer their time and energy to continue the great traditions and quality of our community. It is often thankless, but it is done with love for our neighborhood. As we are moving toward the end of the year, we will be seeking potential new board members to join next year. If you have an interest, please let me know. I would be willing to discuss it further with you.

I hope everyone stays safe and we wish good luck to the students (and their parents) returning to school this fall.

Speeding

Here is an update on the neighborhood speeding issue. We've exchanged emails with the St. Joseph County Engineer on this issue and she is willing to discuss what options we could have as a neighborhood. The Board is working on setting up a date with her to understand what options they will or won't allow. Once we know the specific options, we will host a virtual neighborhood meeting to discuss those options and determine our course of action. While I wish we had more progress at this time, please know that we are moving forward on this issue. Thank you for your patience.

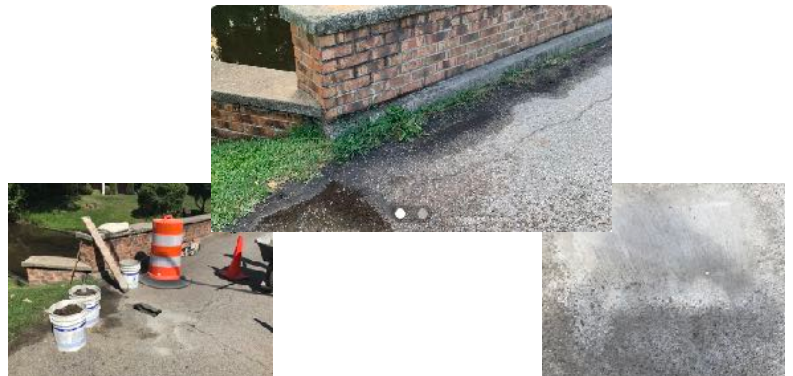

Zach

Thank you!

These pictures are speaking loudly to us! What a transformation to all of our signs in need of attention and thanks to **Steve Ellis**, Whispering Oak, and his son, **Chris**, they are no longer an eyesore but are neat and clean and repaired. How wonderful to have neighbors who care greatly about Winding Brook and want to help maintain its integrity.

County Repairs Hole on Winding Brook Bridge

Almost everyday, your Winding Brook neighbors are signing up to keep better informed. For those of you who have already joined, you know Nextdoor's value as a tool that is helping to connect our neighborhood. Nextdoor is a private online network based on address so it is exclusive to Winding Brook unless you choose to include surrounding neighborhoods. Your choice. **This is now the vehicle that is used to alert you when there is something urgent that you should know regarding safety issues, upcoming meetings, events, items for sale, lost pets, etc.**

Please consider signing up if you haven't already done so. It is well worth it and will help keep your family safe, informed, and up to date on our neighborhood. Just log into our website at windingbrookpark.com. Look for the link in the upper right corner. It is faint so look hard!

Garage Sale

From the gridlock in our neighborhood on the morning of our annual Garage Sale, you would not know that we are in the midst of a pandemic! Sellers and buyers appeared pleased with the results.

AROUND THE PARK

Welcome!

A very warm welcome to **Austin** and **Sarah James** and their son who now reside at 15667 Embers Drive. They moved to Winding Brook from elsewhere in Mishawaka. Austin is a graphics installer and Sarah is an insurance agent. Pre-parenthood and COVID they loved to travel and kayak quite a bit but there hasn't been those activities this year with everything going on which is okay having a one year old and a new house to deal which has kept them busy enough! Thanks to Block Captain **Sandy Hamman** for this information.

Sydney and **Bridget Anzels**, twin daughters of **Bill** and **Keirnan Anzels**, Fox Run Trail, are recent graduates. Sydney graduated a semester early from Penn High School and was traveling on a gap semester in Patagonia when COVID hit and had to come home early. She will attend Columbia College, Chicago, in the Fall where she will study film and journalism. Bridget graduated from Oliverian which is in New Hampshire. She is planning a gap year and will work and volunteer locally and then will attend Cornell College in Fall, 2021 where she plans to study literature and anthropology.

Some information that was received too late to be included in the last Crier, needs to be mentioned. In addition to the information for **Luke Schuster** last month is the following: At Penn, Luke participated in golf, inter-murals, Penn Key Club, and was awarded the 2020 Rising Stars of Indiana for academics. Luke was also a member of the Mayor's Youth Council and participated in Young Life.

Congratulations to these outstanding students!
